Volunteer Work

Beginning in 2000 I have been volunteering to sing our National Anthem at Junior A Hockey games. I have also sung for various local events, Rotary conventions, Quota Club conventions, as well as the Saskatchewan Summer Games.

For the past five summers I have been involved with a program called Swim 4 All. I volunteer to teach swimming lessons for free to children with disabilities ages three to 12.

I am a member of the board of directors for Weyburn's Family Place. The Family Place is a non-profit organization dedicated to early childhood education and intervention. We do fundraising in order to create special programming and activities for underprivileged children as well as children with special needs.

In May 2008 I volunteered at the Greenall Games in Balgonie. It was a day of workshops and entertainment for students with special needs from the south east corner of the province.

In May 2008 I was a volunteer facilitator at the Caring Hearts Camp put on by the Regina Palliative Care Unit. It was a fun filled and therapeutic camp for children who have experience a loss in their family.
